Re: Interstate Power and Light Company Application for Nitrogen Oxides (NOx)  
Allowances from Iowa CAIR Compliance Supplement Pool (CSP)

Dear Mr. Kjellmark:

On behalf of Interstate Power and Light Company (IPL), hereby I am writing to you to apply for CAIR CSP NOx allowances pursuant to 567 IAC 34.205 (3), 40 CFR 96.143(b) and latest IDNR guidance.

Interstate Power and Light total NOx reduction in year 2007 and 2008 was **8770** tons. The attachment - IPL CAIR CSP NOx Reduction Calculations below illustrates details of NOx reductions and calculations at each eligible unit.

If you have questions or need any further information, please feel free to contact Michael Li at 319-786-4635.

Sincerely,

A handwritten signature in black ink, appearing to read "John O Larsen".
